

Parent Consent for Before /After School Classes and Activities

If you have signed your child up for any type of before/after-school class or activity you must completely fill out this form and sign it to verify that you understand our policies and adhere to them.

Your child must always check-in at EDCC first before going to their before/after school class so we know that they are at school that day. Once they have checked in with EDCC then 1st-5th graders may walk over to their class. Kindergarten students must be walked over to their class by a trusted adult/teacher who will pick them up from EDCC and escort them to class.

Due to our full enrollment, our staff is not able to leave the center to pick up your child after their before/after school class/activity has ended. We ask that you make arrangements for your Kindergarten child to be returned to EDCC when it is over, by a trusted adult or teacher from the class or activity they are attending. 1st-5th graders will be allowed to walk over to EDCC by themselves. We will sign the students back into EDCC after they have returned from class.

We appreciate your cooperation with this and want you to know that your child’s safety is our biggest concern. Thank you!
